

WARM UP

Pray, Invest, Invite

If you were to star in a movie, what would your ideal role be?

SET IT UP

Found people find people. Sharing our faith can be challenging—especially in a culture that is increasingly apathetic toward spiritual questions. Helping people find the way back to God is too important to ignore. Helping someone take a step toward God happens as we pray, invest, and invite. Let's talk about it!

CHAT IT UP

1. **Read John 1:43-51. Philip becomes a follower of Jesus after talking to Jesus. What did he do once he became a follower of Jesus?** (Answer: He went and told Nathanael about Jesus. Notice: Found people find people.)
2. **Philip shared that Jesus was the Messiah with Nathanael. How did Nathanael respond?** (Answer: He was outright skeptical.)
3. **What kind of responses have you had from sharing about Jesus or inviting people to church? What can we learn from those experiences?**
4. **Philip didn't give up but wisely invited Nathanael to see for himself. What can we learn from Philip?** (Possible: Sometimes the best answer is an invitation.)
5. **A personal encounter with Jesus caused Nathanael's to believe. What caused you to believe in Jesus? How long did it take?**
6. **Mark encouraged us to pray, invest, and invite those we would love to see come to Christ. Who are those people in your life?**

WRAP IT UP

Found people find people. Maybe God wants us to care about the lost as much as He cares about the lost and to join Him in the search. It will take every 1 to reach every 1. Be intentional this week to invest in the life of someone far from God!
